DETAILED ACTION

1. This Office Action is responsive to communication filed on 06/02/2009.

Response to Amendment

2. The proposed amendments to claims will not be entered because they would require further search and/or consideration. For example, claims 1 and 14 now recite "and a failure". The previous underlined arrangements were not previously defined, thus making the amended claims more specific and necessitating further search/or consideration. Independent claims 1 and 14 thus would require further search and/or consideration.
